## **Frequently Asked Questions:**

1) Are the classes in-person?

- Yes. This helps with engagement, commitment, and simulating the exam environment. I conduct the classes at my house.

2) What is the format of the course?

- Each week is different. The first week is a full-length mock ACT exam. This is good practice and allows me to evaluate the students. Weeks 2,3,4,5 are 1 hour sessions dedicated to each section: English, Reading, Math, and Science. Week 6 is another full-length mock ACT exam.

3) What should I bring?

- Nothing! I will provide all of the materials, including a copy of the Princeton Review ACT Prep 2026 book.

4) How do I sign-up?

- Send me an email at [\*\*amkarahalios@gmail.com\*\*](mailto:amkarahalios@gmail.com).
